### C.A. MacLean Summer Internship Program

The C.A. MacLean Foundation will be sponsoring 2 ten-week internships during the summer of 2017 for journalism students.

Newspapers chosen by lottery to participate in the internship program will select their own intern(s) from candidate application profiles supplied to them by the Alberta Weekly Newspapers Association in conjunction with the C.A. MacLean Foundation committee. A candidate must be identified before funds will be approved for the summer program.

Participating newspapers must agree to pay the intern \$20 per hour (based on a 35 hour work week) for a 10-week period, which will be split 50/50 with program funding. Newspapers are also required to pay all appropriate employment and payroll taxes. Newspapers must also agree to reimburse interns for all business travel or other related expenses.

An application form is enclosed.

The deadline for applications is **November 30, 2016**.
